

**REMARKS**

Reconsideration of this application, as amended, is respectfully requested.

The indication of allowable subject matter is gratefully acknowledged.

Amended claim 30 is very similar to amended claim 35 except that the reference text after "borate" at the end of the claim is missing.

Claim 35 and others depending therefrom have been amended so that the reference to "finely particulate, inorganic solids" is consistent throughout the claims.

Claims have also been amended to make them dependent from allowed claims.

In view of the foregoing, all rejections have been rendered moot.

Allowance is respectfully requested.

The Commissioner is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 50-0624, under Order No. DNAG-316-US.

Respectfully submitted
